LIVERMORE SANITARIUM

FOR GENERAL DISEASES is beautifully situated near the town of Livermore, 30 miles from San Francisco, and is surrounded by handsome grounds. It is isolated, the rooms are large and well furnished and the Sanitarium is specially adapted for the treatment of Neurasthenia, Nervous Dyspepsia, the Alcohol Habit and Morphomania. One building is especially adapted for Massage, Electricity, Hydrotherapy and Sun Bath. Terms, \$30.00 to \$75.00 per week.

THE DEPARTMENT FOR THE TREATMENT OF MENTAL DISEASES is entirely separated from the Sanitarium and is located in grounds absolutely private. The central building is surrounded by small cottages for the better segregation of patients. The best-trained nurses are employed and all modern appliances for the proper care of the insane have been provided. Absolutely no restraint nor enclosures for patients. Terms, \$25.00 to \$50.00 per week, depending upon the number of nurses required.
